**West Bend.
Insurance you
buy when you
can't afford
anything less.**

**The things we care
about the most are the things
we just can't afford
to lose.**

A value-added auto and homeowners
insurance program specifically designed
for CPAs.

Most of us are looking to save money any way we can. Especially on things we can't even see. Like insurance. But inferior insurance is just plain useless. After all, the things we care about the most are the things we just can't afford to lose.

With West Bend's Association Plus® program, you get the exceptional Home and Highway® policy which protects your valuable property, along with a variety of terrific coverages, benefits, and discounts, including:

- A group discount just for members of a CPA association.
- Many other discounts, including ones for newer and updated homes, safe and accident-free drivers, and good students.
- Coverage for just about everything you own: home, condo, or rental unit, as well as cars, truck, boat, motorcycle, snowmobile, and jewelry ... all on one policy with one premium and one agency.
- Getting a portion of your annual premium back – in cash – if you don't have a claim all year!
- Guaranteed replacement cost with no cap, so if your home is destroyed by a fire or a tornado, West Bend will pay what it costs to replace it, even if it's more than your policy's limits.
- Additional coverage to replace damaged or destroyed covered property with property that's better for the environment, safer, or more efficient than the property being replaced.
- Automatic coverage for some of the costs you may incur, including most veterinarian expenses, if a beloved family pet is the victim of a covered accident.

These coverages can be added for a modest additional cost ...

- TravelNet®, the 24-hour emergency roadside service that provides you with worry-free driving 24 hours a day, 7 days a week anywhere in the U.S. or Canada.
- Personal umbrella coverage provides you with a larger layer of liability protection for claims or legal actions such as personal injury.
- The Protector Coverages provide three levels of protection for your home. One is automatically included on the policy at no additional charge. The other two levels bundle popular coverages at preferred prices which is more economical than purchasing these coverages separately.
- The Identity Protection Program with a wide variety of proactive identity protection services to help avoid identity theft, one-on-one access to a fraud specialist, and \$30,000 to cover out-of-pocket expenses to recover a stolen identity.

Convenient payment options are available

Choose the payment option that best suits your needs:

- Use electronic funds transfer into which your annual premium is divided equally into monthly payments (with a nominal handling fee per payment) and automatically withdrawn from your bank account each month.
- Make immediate and convenient payments online or by phone.
- Pay your entire annual premium just once with no handling fee.
