

As with West Bend Insurance, Our Mission is to Provide Peace of Mind and Safety to Our Customers.

In partnership with West Bend Insurance, Advantage One offers connected vehicle solutions that provide extensive safety services, as well as telematics and ELD systems. As part of WBI's innovation team, we share the company's safety culture and bring to its existing customers best-in-class solutions that are unrivaled in the market-place today.

Our bundled offering includes:

Safety telematics and compliance ELD through the #1 worldwide telematics provider, Geotab

Video telematics, analytics, safety, and productivity solutions through Lytx, Surfsight, and Trimble*

Employee distraction reduction software through TRUCE

Solar and battery powered asset tracking solutions through Geotab's Flex and Phillips Connect

**pay per watch subscription option*

No other comprehensive solutions package provides the benefits we offer.

- * Reduced accidents 40% - 60% on average
- * Enhanced workplace / driver / fleet safety
- * Improved employee efficiency and productivity
- * Supported industry and/or regulatory compliance
- * Preserved corporate / business reputation
- * Better utilization and reduced costs
- * Protection from false accident and injury claims

In collaboration with WBI, we are here to help you explore the market for best in-class solution in the connected vehicle space.
